TREETOPS PHILOSOPHY

School Readiness & Our Philosophy

Our programme uses a holistic approach supporting all children in the development of foundation learning skills.

We provide them with educational, cultural and social experiences that will enable them to enter the school setting as confident, capable and motivated learners.

What does a general day at Treetops look like?

- Most of our tamariki arrive by 9:00.
- Between **9:00-9:30, morning tea** is provided by our own personally trained cook.
- **09:30-11:00**, each room/age group will engage in their own planned activities for the day.
- **11:00-11:30**, what time is it? It's time for **lunch!**
- **11:30-14:00**, for our younger Tamariki that still require a nap, this is when they will have a rest. For our older Tamariki, they will carry on with their planned activities for the day.
- **14:00-14:30, afternoon tea time!**
- **14:30-18:00**, Tamariki will play and enjoy the afternoon while they wait for mum, dad or their caregiver to come pick them up.

Sleeping @ Treetops

Each child that requires a nap, has his/her own stretcher and sleeping bag that gets washed regularly.

For our little tamariki, we provide designated sleeping cots that are only for their private use.

Sleeping times are recorded and tamariki are monitored by the kaiako during their naps.
