

TREETOPS PUKEKOHE HAZARD LIST

Please note the following hazards may be in our environment:

Ensure all doors and gates are closed behind you and that children do not follow you out of the room
Our fire evacuation procedures are on the walls around the centre. Please follow these, and
advice from staff, in the event of an emergency
- · ·
Floors (particularly in bathroom/wet areas) may be slippery
The deck area may be slippery when wet - particularly in wet weather
Use handrails on stairs to the upper level if required
Take care when moving around the rooms as children may be fast moving
Please be aware and careful when in the carpark as cars will be reserving and entering, ensure children are supervised at all times during entry/exit
The sand and wet on the concrete in the outside play area can cause slips
