

Arts & Crafts Checklist

Age 4-5 years (preschool)

Tips

Always **supervise** children and ensure **materials are non-toxic and large** enough to avoid choking.

Provide open-ended projects to encourage creativity, such as "build your dream house" or "create a superhero mask."

Encourage more independence by letting them choose and combine materials.

Markers & Colored Pencils

Include fine-tipped washable markers for detailed coloring.

Stencils

Simple shapes or letters to help with tracing and pre-writing skills

Collage Materials

Add variety with sequins, small buttons, and glitter glue (with supervision).

Yarn & String

For weaving, threading, or wrapping crafts.

Hole Punch

Fun for punching patterns in paper.

Paper Rolls or Cardboard Tubes

For 3D projects like making binoculars or mini sculptures.

Rulers & Tape

For learning basic measuring and construction skills.

Playdough Accessories

Rolling pins, cookie cutters, and molds for creating shapes.

Stickers & Adhesive Gems

Great for decorating crafts and practicing precision.

Activity Ideas

Weaving

3D crafts

Themed projects

(ex. greeting cards)
